OmniLedger are pleased to announce the award of a new contract to supply their fully integrated Pyramid Housing Management system to **Franklands Village Housing Association**.

Franklands Village was built in the 1930's in a lovely part of Sussex about a mile from Haywards Heath Town Centre and comprises of 277 properties in total.

Patricia Shadforth, of Franklands Village, said "We looked at 2 other systems but felt that OmniLedger's Pyramid Housing Management system was a professional product that fitted all our organisation's requirements. We were also encouraged by the attitude of the OmniLedger staff and their willingness to work closely with Franklands now and in the future".

Lee Wagnall, Sales Manager at OmniLedger, added "We are very pleased to welcome Franklands Village as a new addition to our ever growing client base. We have launched several new products, such as Pyramid Online (Tenant Web Access) and Custom Data - a new module that provides the user with browser based tools for customising a complete new set of data fields.
