IT'S THE VERY LATEST

OmniLedger are pleased to announce the award of a new contract to supply their fully integrated Pyramid Housing Management system to **Petersfield Housing Association**.

Petersfield HA said "We chose Pyramid because we felt that it would give us the ability to build and maintain both property and tenant history and produce accurate reports as and when required. The advantage of using Pyramid is the fact that it is extremely user friendly.

In moving to Pyramid we have been most pleased by the standard of support and service we have received. You always speak to a person – never a machine and we receive exactly what was promised at the original demonstration. In moving to Pyramid we have been able to completely integrate our housing management.

Lee Wagnall, Sales Manager at OmniLedger, added "I'm happy to welcome Petersfield HA as a new addition to our Client base, which is growing at a significant rate.
