OmniLedger are pleased to announce the award of a new contract to supply their fully integrated Pyramid Housing Management system to **Flax Housing Association**.

Flax Housing Association was founded in 1987 with the aim of providing affordable, quality housing for people in necessitous circumstances within the catchment area of North Belfast. Many of its schemes are targeted at specific groups, including the frail and elderly, the active elderly, young people, vulnerable families as well as general family homes.

***Donal Conway of Flax Housing Association, said,** "We invited representatives from a number of different software companies to give presentations on their products to the Association. We opted for OmniLedger because they could provide a system which not only meets the current demands of the Association but will allow for the projected future growth of the Association as well as being value for money".*

***Lee Wagnall, Sales Manager at OmniLedger,** added "I am pleased to welcome Flax Housing Association to OmniLedger. They are a welcome addition to our growing client base in Northern Ireland, which is growing at a significant rate.*

Year Installed: 2008 / Units: 350 / Previous System Used: Mossbank
