R RADCLIFFE **OmniLedger** has announced the award of a new contract to supply its
H HOUSING fully integrated Pyramid application suite, which includes housing
S SOCIETY LTD management, maintenance and finance modules, to **Radcliffe
Housing Society.**

Radcliffe Housing Association are based in Sevenoaks, with the majority of their properties being in the London Boroughs of Bromley and Croydon, although there are properties developed more recently in Lingfield, Surrey and Tunbridge Wells. The Society's main objective is to provide good quality affordable housing for people who are unable to secure housing from other sources.

Nigel Wood, Chief Executive of RHS, said: "We chose OmniLedger Pyramid Software because it will provide the information we need and the ease of use we were looking for at the right price. Existing Housing Association users recommended the system and we decided it was the right product for Radcliffe."

Lee Wagnall, Sales Manager at OmniLedger, added: "We are pleased to add Radcliffe Housing Society to our client list, together with the other RSL's in the area, such as Bexley Churches, Penge Churches and Chislehurst & Sidcup Housing Associations."
