

## Wishaw & District H.A. Limited

“Wishaw & District Housing Association are pleased to have selected OmniLedger's Pyramid housing management software solution.

We believe it to be an excellent fit for our immediate business needs and we firmly believe the Pyramid software will enable us to consolidate our existing business and provide an excellent platform for managing our future strategies.

We are delighted to be working with a company as thorough and professional as OmniLedger and look forward to a long and mutually beneficial partnership.”
